### Volunteer Role Description

#### Volunteer Shop Assistant

#### About Radnorshire Wildlife Trust

We are part of the Wildlife Trusts movement, the UK's leading conservation charity dedicated to all wildlife. We are your local charity, working hard to improve your local area for wildlife and for you. We manage 19 nature reserves across Radnorshire as well as working closely with community groups and landowners to help make Radnorshire better for wildlife.

#### About the role

Our shop is a gateway for engaging people with the work we undertake as a Trust. To date we successfully run the shop on Tuesdays and Thursday's 10am-12pm. But we are keen to expand this, and volunteers are a key part of this. Shop assistant volunteers will help support the day-to-day running's of the shop. Including creating eye-catching window displays, managing the stock, processing payments and acting as ambassadors for the Trust's work.

Working alongside staff, volunteers will meet and greet customers, acting as the first point of contacts for many with Radnorshire Wildlife Trust. This role would suit someone who is:

- A sociable person, comfortable talking to new people.
- Trustworthy & reliable, with a positive attitude.
- Able to follow instruction and health and safety protocols.
- Has knowledge and/or interest in wildlife.
- Willing to work creatively.
- Experience of working in retail is desirable but training can be provided.

#### Why volunteer

As well as making a significant contribution to Radnorshire Wildlife Trust, this role provides opportunities to build skills and experience and be part of a friendly, welcoming team. This role will help to enthuse and inspire people about wildlife, something that we think brings a huge sense of satisfaction. Studies have shown that volunteering can vastly improve your own mental and physical health.
